About our speaker...

As Faith and Church Relations Manager at Mary Sumner House, I am privileged to nurture the spiritual heartbeat of Mothers' Union (MU). Prayer is at the core of everything we do, and my role is to help us explore how faith can be a catalyst for deepening our discipleship and growing our membership.

While my professional focus is on supporting others in their prayer lives and faith journeys, my own spiritual path is central to the work I do. I am a Scot, I came to faith at the age of 12—a decision that has shaped my lifestyle, career, and calling.

My first career in the NHS equipped me with skills that allowed me to serve God in diverse communities worldwide. Since 2010, I have dedicated myself full-time to helping others grow in prayer and discipleship while assisting the Church in strategic capacity building—most notably through initiatives linked to major global events such as the Olympic and Commonwealth Games.

Our aim for the getaway is to bring members and friends together. Give each other support, connect with old friends and make new friends. Taking "time out" full of fun and fellowship in a relaxed way.

And let us consider one another in order to stir up love and good works, not forsaking the assembling of ourselves together, as is the manner of some, but exhorting *one another*, and so much the more as you see the Day approaching.
