

Mothers' Union Monthly Prayer Cycle 2021

Days of Month & Who or What to Pray For & About

Mothers Union is a Christian Organisation and as such, anything we do, or seek to do and is grounded in prayer. We may use this resource individually, in small groups or in larger ones. When members and others use it the length and breadth of Ireland what a Powerhouse of Prayer it is, equipping ourselves for our Vision and Mission for today and for the future as well, all in the Love and Service of God, in and amongst others.

This resource can be easily adapted for any month. Please pass it onto members and even to Parish clergy, and place it on Diocesan and Parish Websites
